

ZETTA Academic Personalized Report

1. Student Name	-	XXXX
2. Class & School	-	XXXX
3. Test Date	-	17-08-2026
4. Roll Number	-	1245
5. Overall Score	-	57.5%
6. State Rank (if applicable)	-	10357
7. City Rank	-	Chandigarh
8. School Rank	-	21
9. Overall Percentile	-	23%
10. CBSE Readiness Index (out of 100)	-	58%

1. Performance Summary

SUBJECT	TOTAL QUESTIONS	CORRECT	WRONG	UNATTEMPTED	ACCURACY	SCORE
MATHEMATICS	15	8	3	4	72.7%	53.3%
ENGLISH	5	3	1	1	75%	60%
PHYSICS	5	2	2	1	50%	40%
CHEMISTRY	5	4	1	0	80%	80%
BIOLOGY	5	3	1	1	75%	60%
CURRENT AFFAIRS	5	3	1	1	75%	60%

Overall Performance

Questions: 40

Correct: 23

Wrong: 9

Unattempted: 8

Overall Score: 57.5%

Overall Accuracy: 71.9%

Performance Meter

Parameter	Rating
Overall Performance	★★★★☆☆
Concept Clarity	★★★★☆☆
Speed	★★★☆☆☆
Accuracy	★★★★☆☆
Board Readiness	68/100

Subject-wise Diagnosis

Subject	Performance	Observation
Mathematics	Good	Concepts are satisfactory, but several questions were left unattempted. Improve speed and confidence.
English	Good	Grammar and comprehension are satisfactory. Continue regular reading practice.
Physics	Needs Improvement	Core concepts and numericals require additional practice.
Chemistry	Excellent	Strong conceptual understanding. Continue revision to maintain performance.
Biology	Good	Improve NCERT-based conceptual revision.
Current Affairs	Average	Weekly revision and newspaper reading will significantly improve scores.

Strengths

- ✓ Excellent Chemistry performance.
- ✓ Good English comprehension.
- ✓ Fair conceptual understanding in Mathematics.
- ✓ Consistent performance across Biology and Current Affairs.

Improvement Areas

- ⚠ Physics concepts need immediate attention.
 - ⚠ Increase Mathematics solving speed.
 - ⚠ Reduce unattempted questions.
 - ⚠ Revise Current Affairs every week.
-

Error Analysis

Reason	Impact
Conceptual Mistakes	Medium
Careless Errors	Low
Time Management	High
Lack of Revision	Medium

Observation

Nearly **20%** of the paper was left unattempted, indicating that improving time management alone can significantly increase the final score.

CBSE Readiness Prediction

Current Performance	Predicted CBSE Range
Current Score	57.5%
With Regular Practice	75–80%
With Personalized Mentoring	85–90%

Personalized Action Plan for Student

Mathematics

- ✓ Solve 20 MCQs every day.
 - ✓ Revise formulas for 15 minutes daily.
 - ✓ Practice one timed worksheet every alternate day.
-

Physics

- ✓ Revise NCERT concepts first.
 - ✓ Practice 10 numericals daily.
 - ✓ Prepare a formula notebook.
-

Chemistry

- ✓ Continue regular revision.
 - ✓ Solve previous CBSE Board questions.
 - ✓ Focus on NCERT exemplar questions.
-

Biology

- ✓ Read NCERT line by line.
 - ✓ Draw and revise important diagrams.
 - ✓ Practice assertion-reason questions.
-

English

- ✓ Read one English article every day.
 - ✓ Practice one comprehension passage daily.
 - ✓ Improve vocabulary with 10 new words each week.
-

Current Affairs

- ✓ Read newspaper headlines for 10 minutes daily.
 - ✓ Revise weekly current affairs every Sunday.
-

Parent Recommendations

Dear Parent,

Your child has demonstrated good potential, particularly in Chemistry and English. The primary reason for the current score is not only incorrect answers but also a significant number of unattempted questions. With structured practice and regular revision, your child can substantially improve their CBSE performance.

We recommend:

- Ensure a fixed study schedule of **2–3 focused hours daily**.
- Encourage daily revision of Mathematics and Physics.
- Conduct one timed mock test every week.
- Motivate your child to attempt every question after careful analysis.
- Appreciate progress and consistency rather than focusing only on marks.
- Ensure adequate sleep, balanced nutrition, and limited screen time during study hours.

Next 30-Day Improvement Target

<i>Subject</i>	<i>Current</i>	<i>Target</i>
<i>Mathematics</i>	8/15	11/15
<i>Physics</i>	2/5	4/5
<i>Chemistry</i>	4/5	5/5
<i>Biology</i>	3/5	4/5
<i>English</i>	3/5	4/5
<i>Current Affairs</i>	3/5	4/5

Overall Remark

"You have a solid academic foundation, especially in Chemistry and English. By improving Physics concepts, increasing Mathematics practice, and reducing unattempted questions through better time management, you have the potential to improve your score from 57.5% to above 85% in the CBSE Board examination."
